DESCRIPTION OF EVENTS

The Summertree Event Committee has chosen a variety of events for 2017. These events fall into the following three general categories:

- Community Parties
- Children’s Activities
- Educational Activities

A description of each event that appears on the 2017 Summertree Event Calendar is provided below:

| Event | Description |
|---------------------------------|--|
| Super Bowl Party | The Super Bowl will be playing on the big screen TV in the clubhouse. Snacks and soft drinks will be provided. |
| Gardening Seminar | A gardening specialist will provide insight on selection of plants and various designs for your yard. |
| Easter Egg Hunt | The Easter Egg Hunt is for children 12 and under. Plastic Easter eggs filled with surprises will be hidden around the clubhouse. |
| Summertree Meet & Greet | Stop by the clubhouse patio to meet your Summertree neighbors. Hamburgers, hotdogs, chips, cookies, and beverages will be provided. |
| Movie on the Courts | A movie appropriate for all members of the family will be shown on an outdoor movie theater set up on the Summertree tennis courts. Everyone should bring lawn chairs or cushions for seating. Popcorn and beverages will be provided. |
| Fishing Rodeo | The fishing rodeo is a contest to see which children can catch the biggest fish. Contestants will be divided into age groups of 5 & under, 6 – 10, and 11 – 14. A prize will be awarded to the winner of each age group. |
| Halloween Hayride & Pizza Party | Residents (adults & children) are welcome to dress up in Halloween costumes. Hayrides will take the children around the development to trick or treat. A pizza party will be held at the clubhouse after trick or treating. Children’s games will be set up at the clubhouse for fun and entertainment before and after the hayride. |

NOTE: If an exact date or time was not specified on the Summertree Event Calendar, it will be advertised on the Event Poster situated at the Summertree entrance / exit at least two weeks before the event. An update of the calendar will be included with the next Summertree newsletter. A Facebook page has also been set up to notify Summertree residents of upcoming events and any changes to the Event Calendar. The Facebook page is Summertree Events.

Other events currently being considered for 2017 include the following:

- Meet Mayor Mary - A presentation by Madison Mayor Mary Hawkins-Butler to provide information about the future development of our city. Topics would include upcoming construction, architectural requirements, city resources, crime prevention, and long term outlook.
- Music By the Lake – A small musical group playing classical or modern music outdoors by the clubhouse lake.

Please post suggestions for other Summertree events that you would like us to include in 2017 on our Facebook page (Summertree Events).
